SRP Patriot Panel Saw |  
Controller Conversion Kits

www.hendrickmanufacturing.com

Hendrick is now offering Windows XP controller conversions for **Hendrick SRP Patriot Panel Saws**. These conversions will not only give you the peace of mind of having a current supported Windows operating system but they will also provide many additional features that your current SRP CAD application does not offer, such as: "Simple Cut Mode", third operation mode, "how to" diagnostics and upgraded optimization software. Safety has also been significantly enhanced.

These easy to install kits will come with complete instructions to do the conversion yourself which typically take less than 15 minutes. Hendrick will provide additional telephone support if needed and does offer **free installation when coupled with machine PM/service**.

**The Conversion Kit Consists of:**

- Dell Tower PC (Min: 200Gb HD, 2Gb RAM, LAN port, 4 x USBII Ports, CD/DVD RW, 2 x DB9 Serial)
- Windows XP (SP3) OS
- LCD Flat screen monitor
- USB 101 Key US keyboard
- USB optical mouse
- SRP CAD Ver. 2.32 Software
- USB HASP (SIMM)
- 4/8 B EPROM Cartridge for PLC
- All cables necessary for the conversion
- Complete updated software manual

Given the current economic environment many of our customers are wisely investing in their existing assets. We encourage you to be proactive about this opportunity to prevent machine downtime should your current system malfunction as it is no longer supported or replaceable.
